**Audio Case Study #42**

**Tostitos Sound Bottle Opener**

What better way to celebrate Cinco de Mayo than with a Sound Bottle Opener that plays the iconic party song Tequila? Tostitos needed a clever promotional item to share with bars and restaurants to hand out to excited patrons as the big holiday approached. CleggPromo worked with its Distributor to recommend a variety of audio concepts that could work for the campaign. But once everyone saw and heard the Sound Bottle Opener in action there was no question remaining as to the right product for this holiday giveaway. Include a stock or custom audio product to ensure your clients' promotions have enough sizzle and pizzazz.
